

# Maybe You're Missing a Lot of Good Times

**A**LL kinds of good times—dances, card parties, informal dinners, are arranged by telephone. It is easy to get a crowd together on short notice if they all have telephones.

If you have no telephone in your home your friends cannot invite you. There is no way to reach you.

Folks used to get along without running water, electric light, bath tubs, gas stoves and many other things everyone now considers essential. Perhaps you can still get along without a telephone, but who would want to when the cost is only a few cents a day.
